

Dear exchange student,

**DEAR "NEWIE"!**

Welcome to Pforzheim University!

Before your studies start in September, we would like to give you some important information:

The winter-semester 2009/2010 starts on Monday, September 28th at 11.00 am with the welcome address given by our rector, Professor Dr. Erhardt, in the AudiMax under the library (Tiefenbronner Str. 65). However, exchange students, enrolling for studying business subjects on bachelor level please note: a separate opening session is organised for you within the International Study Program (ISP) of Pforzheim University Business School. ISP-students should join this separate opening session on Monday, September 28<sup>th</sup> at 10:30 am in Building W3, Room W3.204 (Tiefenbronner Str. 65). Further ISP-information please find at [www.hs-pforzheim.de/isp](http://www.hs-pforzheim.de/isp).

Our special highlight in the afternoon:

Various people from different fields such as business, politics, culture and local government will show first semester students around "their" local town on the GOLDSTADT WALK. The walk will start at 02.00 pm after the traditional tour through the university buildings and lunch.

From the very first day you can use the bus service for free – the "Studi-Ticket" offered by the AstA (the Students' Union) makes this possible! Until you have your official Student ID card, you may use your notification of admission (Zulassungsbescheid) as a ticket. Afterwards, your Student ID card is valid for the bus service in the whole Pforzheim-Enzkreis.

On Monday and Tuesday we - the AstA - your student representatives, will do our best to make your first couple of days here as enjoyable and informative as possible. There is a detailed program of events on the next page. We hope you'll take part in our induction-program "In[sight]" and will have a lot of fun – you will certainly get a lot out of it!

Your AstA Team
