## PURPOSE AND OBJECTIVES

SAP is in the middle of a transformation of how we build and sell our offerings. While we continue to build best of breed products that are leading in their industries, we are also strengthening our ability to sell Solutions that are tailored for specific business processes and value creation of our customers. A key enabler for this transformation is the "Business and Solution Reference (BSR)", a common reference architecture that defines our offering in a way that is most relevant for customers, and also connects these to the underlying software.

As a working student to support the BSR project office, you will have the unique opportunity to be at the heart of this transformation and make it happen for SAP and our customers.

## EXPECTATIONS AND TASKS

Business & Solution Reference touches the core of our operating model and makes major improvements to business efficiency and effectiveness, both for SAP as well as for customers. As a member of the BSR project office, assignments can include the following tasks:

- Establish and maintain BSR Score Card and progress reporting
- Support BSR team meetings and communication
- Establish BSR tool expertise and support the global user community
- Create tutorials for BSR solution managers
- Establish and maintain BSR action list and trigger escalations
- Manage BSR project team contacts

## EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

- Preferred field(s) of study: Economics, Computer Science, Communication or related
- Strong MS Office skills, MS SharePoint, MS Access & Business Analytics skills are a plus
- Fluent in English, both written and spoken is mandatory, German ideal
- Strong communicator, self conscious, highly motivated, assertive
- Background in Project Management and/or Business Process Modeling is a plus

Your set of application documents should contain a cover letter, a resume in table form, school leaving certificates, current university transcript of records, copies of any academic degrees already earned, and if available, references from former employers (including internships). Please describe as well your experience and skills in foreign languages and computer programs.
