

Requirements for Admission to the Universities of Applied Sciences in Baden-Württemberg with Foreign University Entrance Qualifications

The table below provides an overview of the required foreign educational credentials by country of origin for admission to a preparatory course in "Studienkolleg" (Center for International Students) or for direct admission to a Bachelor's program (subject-specific*) at the Universities of Applied Sciences in Baden-Württemberg. The information is based on the guidelines of the Central Office for Foreign Education (Zentralstelle für ausländisches Bildungswesen, ZaB). Detailed information, also for other countries, is available in the "anabin" database (<http://anabin.kmk.org>) of the Central Office for Foreign Education (ZaB). The table is only intended for initial orientation and is not legally binding.

*: Depending on your previous education, you might only be allowed to continue your studies in the same field or a neighboring discipline.
