

**BAE 4183 – Intercultural Engineering (WI/ INT + ISP + HOTSPOT + elective)**

2 SWS (semester weekly hours), 3 credits

**Language:** English

**Requirements:** good command over the English language (B2-C1). **You do not have to study engineering to attend this course! It is open for all study programs, and international students are particularly welcome!**

**First session:** Monday, 05 October 2020, 09:45 – 11:15, afterwards weekly

**During Wintersemester 2020/21, this course will take place as a virtual seminar.**

For further details: log in to the e-learning system.

<https://lms.hs-pforzheim.de/course/view.php?id=4206>

enrolment key: ICE

**Lecturer:** Prof. Dr. Jasmin Mahadevan, [jasmin.mahadevan@hs-pforzheim.de](mailto:jasmin.mahadevan@hs-pforzheim.de)

See profile: <https://www.hs-pforzheim.de/en/profile/jasminmahadevan>

Colloquium: for appointment, please send an e-mail

**Learning objective:** Students develop their intercultural competencies in engineering. They will also work together in virtual teams.

**Course topics:** global virtual teams in management and engineering

**Teaching and learning approach:** Case-study based and problem-based learning.

**Course Material**

- material to be announced in class / distributed via e-learning.

**Contribution to program goals:** This course is linked to all program goals, in particular to ethical behaviour and international management in engineering.

**Assessment:** Grading based on completing the required assignments. Attendance is required.

**Grading scale:** (see SPO, allg. Teil, Neufassung vom 01.09.06, p. 20):

- 1 = excellent (pass grade) = outstanding work;
- 2 = good (pass grade) = work which is far above average
- 3 = satisfactory (pass grade) = average work;
- 4 = sufficient (pass grade) = work with shortcomings which still meets requirements
- 5 = insufficient (fail grade) = work with severe shortcomings, does not meet requirements
