Regulations regarding the assignment and selection of examiners for the subject area of Quantitative Methods for all Bachelor's degree programs in Business Administration and Business Law in the *summer semester 2024*

This is a convenience translation, which is provided to English-speaking readers for informational purposes only. Only the German version of this document is legally binding in accordance with § 23 paragraph 1 Federal State Administrative Procedure Act (Landesverwaltungsverfahrensgesetz).

Head of department: Prof. Dr. Torben Kuhlenkasper

1st attempt: assignment of examiner

2nd + 3rd attempt: selection of examiner

Applications to change examiners in the courses:

- A change of examiner is only possible within the first six weeks after the start of lectures if a justified request is submitted to the head of the department.
- **A change of examiner will only be authorized in justified cases of hardship and to improve the compatibility of studying and raising children (parental leave). Overlapping lectures are not a justified case of hardship.**
- **Please note:** The examiner assignment is binding unless you have been authorized to change examiners. You can only take the examination with the examiner appointed for your degree program. If you take the exam with a different examiner, your exam will not be graded and documented as revoked.
